NUMBER 14

HURRICANE ELOISE GOES WILD TUESDAY

People of Elba, Coffee County and the entire Wiregrass area were put to test early this week when Hurricane Eloise came roaring in from the Florida panhandle and raised havoc with entire communities.

Apparently Elba caught the edge of the tropical storm, as other communities seem to be far more ravaged than the local community. Communications disruptions have caused accurate assessments to be slow, but by piecing together bits of information, it appears the storm, along with 130-mile winds, hit about Ft. Walton Beach, Florida, and headed inland in a North-Northeasterly direction. It hit hard at DeFuniak Springs, Florida, Samson and Geneva, before Enterprise and New Brockton became the Bull's Eye, and moved on up to Troy, and still bearing East, moved on to the Auburn area.

Winds estimated as high as 70 miles per hour hit Elba about mid-morning Tuesday, ripping up trees, tops off buildings and disrupting electric service. It was estimated that all electric service would not be restored until possibly Thursday (today).

In the city limits of Elba only two mobile homes were overturned. Neither was occupied. One was a new trailer, and the other a used one. However, a short drive North, South or East would soon reveal mobile homes overturned, many, many trees uprooted or snapped off, and buildings damaged or destroyed. Power and telephone lines were down in so many places, it appeared almost impossible that service could be restored in many days. It took long, hard hours by regular and extra crews to get trees off lines and the lines back into service.

South of Elba on the Elba-Samson Highway, Preston Kelley, Jr.'s grocery

store was completely destroyed. Kelley had left the building just minutes before the roof and both ends disappeared with the storm. As soon as the wind had subsided, friends, neighbors and relatives flocked to the site to help Kelley salvage what he could from the ruins. Kelley's store is located at the intersection of the Elba-Samson Highway and Highway 134. Reeves Grocery across the road was not severely damaged.

Several mobile homes, barns and storage houses were turned over, torn up or were suffering from tree damage. Chicken houses in several areas of the county were damaged or completely destroyed. Near Chancellor, south of Enterprise, four houses had the broilers caught for processing on Monday night - Tuesday night there was only one chicken house left. Those chickens were destined for the ConAgra plant at Battens Crossroads, but the storm disrupted the electricity, ripped up the holding shed and caused other damage, and Tuesday night the thousands of broilers were headed out to other processing plants before they died in the crates.

The winds had hardly abated when city street crews began the tremendous job of clearing the roads of limbs and debris. They and the water and electric crews began immediately to clear roads and repair damage. They were joined later by mobilized National Guardsmen who were still on duty Wednesday clearing and hauling away the scraps. State crews worked into the night Tuesday and were back on the job early Wednesday continuing their clearing job.

A few families from the northwest Florida area stayed in Elba until after the storm had passed. They occupied rooms at the local motel and at the

local National Guard Armory, where Pension and Securities employees had set up emergency headquarters. Local citizens responded to a call for help and flooded the armory with food and bedding for the storm victims.

Both the towns of Kinston and New Brockton ran low on water, as the absence of electric current prevented the pumps

from working.

Enterprise paid a heavy toll to Eloise as buildings were ripped apart, trailer after trailer overturned or pushed off foundations and thousands of trees fell, hitting homes, stores and automobiles.

The only known injury at press time was a man in Florida who suffered an apparent heart attack while sitting out the storm in a shelter in Ft. Walton Beach.

SAMSON HIGHWAY AGAIN OPEN AFTER VEHICLES BUTT THROUGH FALLEN TREE

Football Coach Closes Book

Elba head football coach, Paul Bass, asked Superintendent Eimer Taylor for permission to make his resignation effective immediately instead of the end of the football season, as announced last week. Coach Bass made this request to the superintendent on Sunday afternoon, September 21, 1975. The superintendent asked Mr. Bass not to make a decision at this time, but to wait until Monday and discuss it with him and Lamar Foley, principal of Elba High School.

Mr. Foley and Superintendent Taylor held two meetings with Coach Bass on Monday morning, and following these two meetings, Coach Bass called the superintendent Monday

afternoon and stated he still wanted to resign, effective immediately.

The superintendent told Mr. Bass that such a decision would have to be made by the school board. The superintendent asked the chairman of the school board to call a special meeting Monday afternoon. The meeting was set for 4:00 p.m. and the superintendent recommended that Coach Bass' request be honored. The Board voted unanimously to accept his recommendation.

Coach Bass told school officials that his first concern was still the boys on the football team, and that after many hours of study he felt this was the best move for the boys.

He recommended Coach Hinton Johns very highly to finish out the football season as head coach, and said he still believes the football players will settle down and concentrate on playing the winning football they are capable of playing.

Coach Bass stated this was his decision and the school board nor any other school official had asked him to make this change.

Mr. Bass will continue to teach Driver Education at Elba High School.

Assistant Coach Hinton Johns was unanimously named to fill the position as head football coach for the remainder of the current football season.

Participants in the Punt, Pass & Kick program complete only against others their own age. Any youngster 8 through 13 years of age, accompanied by a parent or guardian, may register to compete in PPAK at any participating Ford Dealer. There is no entrance fee and no body contact during competition. No special equipment is needed and participating does not impair a youngster's amateur standing.

Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Twelve national finalists will compete for the National championships in their age group during the halftime of the Super Bowl Game in Miami, January 18, 1976. Winners will have their names permanently inscribed in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by Football Commissioner Pete Rozelle.

Medicaid Payments To Be Delayed

Medical Services Administration is notifying all Medicaid providers that payments will be delayed until October 1, 1975.

The State Comptroller closes his books around the 25th of September of each fiscal year. Any claims not processed through the Medicaid fiscal intermediary and received at the State Health Department Finance Office by September 24th cannot be paid until funds are available.

BREAKUP

- Part Three

What has the divorce rate done to this generation of young people? We really can't get a complete answer -- only a part of one because we do not know what this generation of youth will be like as adults. But, U.S. NEWS AND WORLD REPORT, May 1972 said that 10,000 children leave home every week. This means that there are 500,000 runaways in society each year.

The majority of these runaways have been boys, young men, but girls have now come to the forefront until there are as many girls runaways as there are boys. The average age has gone lower and lower each year until the average age of the runaway is 14 years.

I feel this group of young people has a lack of security. U.S. NEWS AND WORLD REPORT also says that 50 percent of this half-million runaways is from broken homes. So there is a false security in the home.

The divorce pattern -- in 1960 one in four marriages

ended in divorce. And by 1970 one divorce for every three marriages! So what does this do to the security that should be provided in the home? The children go through life with only half the parent they really need.

They have failed to receive the love, affection, concern and continuing interest on into their teens.

The mother works -- did you know that 42 percent of mothers with children 18 or under work? So here is Mom and Dad grabbing everything they can to have two cars, two TVs, etc. And the child is looking for someone to come home to after school -- someone who shows affection, who shows an interest in what they are doing.

What does the child do? He sits down in front of a TV set. Sixty-four percent of the average toddler's time is spent in front of TV. So, you have a mechanical substitute for a mother.

Warehouses Provided By GFA

The GFA Peanut Association has provided the following list of warehouses that have been approved under a cooperative agreement with CCC to receive peanuts which producers wish to place under CCC loan. The list includes all warehouses in the Coffee County area which have been approved as of September 16, 1975.

Anderson's Peanut - Opp, Andalusia, Hartford, Lovens, and Goshen
Gold Kist Peanuts, Slocomb and Wicksburg
Sessions Company, Inc. - Enterprise, Elba, New Brockton
Columbian Peanut Co., Ozark
Thompson Company, Inc. - Troy
Alabama Warehouse Co. - Brundage, Troy
Dotlan Oil Mill Company - Wicksburg
Foshee Milling Company - Red Level
Enterprise Oil Co. - Enterprise
Brooks Peanut Company - Samson

Gleaner's Of Westside Baptist Meet

Gleaner's WNU of Westside Baptist Church met in the home of Mrs. Pat Johnson on September 16th.

Members present were: Lorene Bryan, Henrietta Grimes, Doris Mallory, Laveria Kelley, Majorie Morrow, Leslie Harrison, Ruth Mack, Ruby Nell McKie, Sara Moody, Agnes Wilson, Dorothy Whitehurst, Thelma Parrish, Pat Johnson and Kay Lawless. All members present enjoyed a covered dish supper.

This was a business meeting and officers for the coming year were installed. The members agreed to sponsor a girl, Sharon Heston, at the Children's Home in Troy, Alabama. The members agreed to help Mrs. Lorene Bryan with what they could at the Nursing Home in Elba.

There is plenty of mistic work to do here and around our churches and in our city if we, the people will open our hearts, our eyes, and our minds to the needs of others," said the Gleaner.

News From

Alabama Dept. Of

Industrial Relations

Employees will begin paying into the unemployment compensation trust fund on October 1. Payroll deductions will be made for the first time since 1969.

Tom J. Ventress, director of the Alabama Department of Industrial Relations, said reinstatement of the state employment insurance tax on employees is necessary because reserve funds rapidly being depleted. Employees will pay 5 percent (1/2 of 1 percent) on the first \$4,200 paid to them during the quarter ending December 31. Effective January 1, 1976, the employee tax will be collected on the first \$4,200 paid to them during the quarter ending December 31. Effective January 1, 1976, the employee tax will be collected on the first \$4,200 paid to them during the quarter ending December 31.

Tax proceeds go into a fund from which unemployment benefits are paid. Payments from the fund have averaged \$3.4 million per week since January 1, and the balance is currently less than \$30 million. If payments continue at the present rate, the fund will likely be exhausted by December, Ventress said.

When the fund is depleted, the state will secure an advance from the federal government to continue compensating jobless workers.

Employment deductions will stop when the trust fund rebuilds to a healthy level. According to projections by the department, employee contributions will remain in effect until at least 1981. Employees of governmental agencies and of most non-profit organizations are not required to pay the tax.

Although collection of the employee tax was suspended in 1969, employers have continued to contribute to the unemployment compensation trust fund. The employer tax rate ranges from 0.5 percent to 3.6 percent of wages depending upon the employer's experience rating.

Persons admitted to Elba General Hospital during the period of September 17 through 23 are as follows:

Charles Roten, Mary Lynn Nelson, J. O. Bailey, Katie Blackmon, Bell Whittington, Foy White, Clem Drinkard, Preston Fulmon, Virgil Coleman, Mary Taylor, Martha Towles, Mary Vaughn, Garrett Childs, Clarence Parker, Iris A. Miles, Billy Bryant, Sue Bogdan, Vera Hudson, Donnie Smith, Marilyn Johnson, John L. Terry, Chris Moore, William C. Marx, Charles Kennett, Lloyd Lewis, James Rogers, Terry Smart, Jack Mauldin, Dot Smith, Pearl Powell, Bonnie Johnson, Bill Wood, Jackie Bottwell, Virginia McHaffey, Timothy Baldwin, Jerome Griswold.

Those discharged during the same period are as follows:

Mary Lynn Nelson, Katie Blackmon, Bell Whittington, Clem Drinkard, Virgil Coleman, Clarence Parker (expired), Iris Miles, Sue Bogdan, John L. Terry, Lloyd Lewis, Donnie Smith, Sherline Williams, Raymond Nelson, Eunice Culver, Robbie Graham, Bryon Foley, Mary Strickland, J. P. Parker, Anne Tucker, Janice Culver, Herbert Weeks, Pearl Lunsford, Edna Lowry, Clazzell Elliott, Mary A. Cook, Allie Rachel, A. K. Senn, Howard D. Walker, William Walker, Ethelita Pace (expired), Samantha Hurt.

LEGAL NOTICES

BECAUSE THE PEOPLE MUST KNOW

PUBLIC NOTICE ON ENVIRONMENTAL REVIEW.
THE CITY OF ELBA, ALA., COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM, 1975, Application No. B-75-HN-01-008.

An Environmental Review has been made on the following Project: Sidewalks and curb and gutter on No. Claxton Street, Farris Avenue and Troy Road to Elba School. Acquisition of real property, demolition and clearance on Adkinson Street from N. Claxton Street to Newton Street.

An environmental review record respecting the project has been prepared and may be examined and copied along with documentation and the project application. The project is available at the Mayor's Office, City of Elba, Alabama, during normal working hours which are from 8:00 a.m. to 12:00 p.m. and from 1:00 p.m. until 5:00 p.m. Monday through Friday.

A request for release of funds and certification for the above project will be submitted to the Department of Housing and Urban Development on October 8, 1975. The City of Elba will undertake the project described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD) under Title I of the Housing and Community Development Act of 1974. The City of Elba is certifying to the City of Elba, Alabama and Sam Sawyer, in his official capacity as Mayor of the City of Elba, consent to accept the jurisdiction of the Federal courts in an action brought to enforce responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the project if it is one of the following bases:

(a) That the certification was not in fact executed by the chief executive officer of the record; or (b) That applicant's environmental review procedure is not in accordance with the requirements of the National Environmental Policy Act of 1969. Objections must be prepared and submitted in accordance with the procedure (24 CFR Part 58) and may be addressed to the Department of Housing and Urban Development, Daniel Building, 15 South 20th Street, Birmingham, Alabama 35203.

VIRGIL WHIGHAM
Navy Sonar Technician 3rd Class Virgil C. Whigham, son of Mr. and Mrs. William L. Whigham of Route 2, Kinston, Alabama, has been awarded his "Silver Dolphins" insignia while serving aboard the submarine "USS Sunfish," homeported at Charleston, S.C.

The insignia is presented to enlisted men who have proven their ability to perform all assignments aboard a submarine.

VICTOR R. PHILLIPS
Navy Fireman Victor R. Phillips III, son of Mr. and Mrs. Victor R. Phillips, Jr. of Route 5, Elba, Ala., was graduated from recruit training at the Naval Training Center, Orlando, Florida. Classes include instruction in seamanship, military regulations, fire fighting, close order drill, first aid and Navy history.

2-13-3	5-9-0
4/2	4/2
5-48	5-38
85	40

Teddy Barnes (85) gets fingertips on Fuller pass, but can't hang on.

Win Westbrook (20) is tackled by Opp's Steve Phelps (76).

The Opp Bobcats scored in every possible way Friday night as they blasted the Elba Tigers, 26-7. The win boosts Opp's record to 3-1 (1-0 in region play), while the loss drops the Tigers' chart to 1-3 (0-2 in region competition). The first quarter was totally dominated by the defensive units of both teams. Opp failed to make a first down in the opening stanza, while Elba chalked up four.

The second period began with Opp in possession at their own one-yard line. After two running plays moved the ball out to the 12-yard line, Elba was penalized 15 yards for a personal foul, putting the Bobcats at their 27. From there it took Opp eight plays to move into a first and goal situation at the Elba nine-yard line. The Tiger defense stiffened, forcing the Bobcats' Steve Phelps to attempt a 27-yard field goal on fourth down and 12. Phelps' kick split the uprights and with 7:46 left in the half, Opp led 3-0.

Elba received the ensuing kick-off, but on second down, a Max Fuller lateral went astray and was picked up by Opp's Johnny Mack, who rambled 20 yards with the pigskin for an Opp touchdown. Phelps added the pat, and with 6:46 left in

the half, Opp suddenly owned a 10-0 advantage. Neither squad threatened in the final six minutes, and when the hands took the field at halftime, the scoreboard read: Opp 10 - Elba 0.

Elba received the second half kick and moved into Opp territory before fumbling the ball to the Bobcats at the 41. The Bobcats, in excellent field position, promptly began a march toward paydirt. The seven-play, 55-yard drive was climaxed when quarterback Timmy Norris fired a 24-yard touchdown pass to Kenneth Hall. Phelps again added the point after, and with 7:26 left in the third quarter, Opp led 17-0.

On the ensuing kick-off, Elba's Larry Phillips was hit hard by an Opp defender, and fumbled. The Bobcats' Bobby Fulles pounced on the loose ball, and Opp was right back in business at the Elba 20-yard line.

Norris gained four yards on Opp's first play and on second down, Bobby Fuller raced in from 16 yards out to stretch the Opp lead to 23-0.

Mike Shiver added the pat, and it was all over but the shouting as the Bobcats opened a 24-0 lead.

The Bobcat lead went to

26-0 with 2:37 left in the period when the Elba center snapped the ball over the head of punter David Smith, who was standing in the endzone.

Opp emptied their bench in the final stanza, and Elba took advantage of the situation, to score its only touchdown of the long night.

With the ball on the Elba 35-yard line reserve halfback Jimmy Marson rambled 18 yards into Opp territory.

Johnny Dyess followed with an 11-yard scamper, moving the ball to the Bobcat 36. Marson then added six, followed by a 10-yard run by Teddy Barnes.

After two running plays moved the ball to the 16-yard line, Marson broke loose on an 11-yard jaunt to the five. Dyess bulled to the one-yard line, where James Smith blasted over for the score. Russ Cash added the point after, and the final score read: Opp 26 - Elba 7.

Coaches Corner

Johns To Make No Major Changes

"I don't plan to try to make any big changes," said Johns. "I just hope that by making a few minor changes, we can turn things around to some extent." In closing, Johns said, "There will be no personnel changes unless injuries occur. We've got the right boys in the right spots - we have just got to get everyone doing their jobs!"

COFFEE

COFFEE County farmers, homeowners and other sent in a record number of soil samples to the laboratory last year. I do not know the exact number. However, Coffee County sent in the largest number. Houston sent more than our Coffee County people and also Jefferson County.

The fact that we ranked third in the number of samples shows me that Coffee County people are trying to bring more precision into their soil fertility needs. This speaks well, for not only our farmers, cattle producers and gardeners are interested in fertilizing their lands properly. We are making progress. We just need to keep up the direction we are going in.

We have complete supplies at our office near New Brockton. Call us if we can help you.

4-H LEADERS

This week I have helped Dan Presley, Sara Hutchinson and Sandra Coffey obtain leaders for Coffee County's 4-H volunteer leader program. Coffee County's 4-H Club work is expanding, and this year we have been able to get 120 volunteers throughout the county who will be helping with the 4-H Club program.

Dan Presley and I contacted people in the Kinston Community Friday. I am greatly impressed with the cooperativeness of not only the Kinston people but Coffee County folks in general. To volunteer to do something on a regular basis without pay is a sure sign of dedication. I am glad that we have the folks we do in this county. Kinston leaders who will be working in the schools are Mrs. Howard Smith, Jr., Barbara Jo Howell, Linda Kilcrease, Eleanor Haygens, Mrs. Bill West, Edgar K. Haygens, Mary M. Speller, Mrs. Roland Whigham, Mary Lou Weeks, Clyde Rhoades, Mrs. Fred Wood, Mrs. Janice Weeks, Betty Ward, Mrs. Lewis McInnis, Billy H. West.

WINTER GRAZING

Wade Paw, our Extension agronomist at Auburn, had this to say about the advantages of planning small grains following harvesting cropland in Coffee County. "There is a strong demand for feed in the winter. Cool season grazing crops such as rye, ryegrass, wheat and clovers provide grazing at the time of the year when we are in need of extra feed. Small grains provide a good quality grazing suitable for putting rapid gains on stocker calves. Since we desperately need to be carrying calves to heavier weights, this fits in with our goals. This is especially good in using clovers in established sods like Coastal and Bahiagrass."

SAFETY

The dove season opened north of Highway 84 this past Saturday. Highway 84 extends from Dothan through Elba. Quite a few folks will be hunting this week and in the next few weeks. A lot of young people will also be getting guns for birthdays and Christmas. Heads of the family need to emphasize the importance of gun safety. All age groups need to review safety rules. I won't have space to mention all safety rules, but I will mention three of the most important ones are: (1) Be sure of your target -- know what you are shooting at. (2) Handle all guns as if they are fully loaded. Don't ever have to say, "I didn't know it was loaded." (3) Carry guns in such a way that you can control the direction of fire at all times. In other words, carry your gun in such a way that if it went off accidentally you won't hit a person behind you or to the side or in front. Hunters will stumble and lose control of their gun if they are not holding it properly.

Go over these safety rules and others with your children again even though you have already emphasized them several times. You can't overdo this.

SUPPLIES AVAILABLE

Beginning this week we have a good supply of soil testing cartons, shipping boxes and information sheets at a lot of different locations in just about all areas of the county. In addition, we have the nematode sample boxes, the plastic bags, shipping cartons and everything needed to send in nematode samples. If you can't find them at the agronomist firms and stores in your community, you can always get the supplies at our office in New Brockton.

My Neighbors

GM&O Depot On Historical Register

The Gulf, Mobile and Ohio Passenger Terminal in Mobile has been added to the National Register of Historic Places, the Alabama Historical Commission has announced.

The GM & O terminal, located at Beauregard and St. Joseph Streets, was constructed shortly after the turn of the century and is one of the only two large-scale railroad stations in the state. Completed in 1907 at a cost of \$400,000, the massive and ornate building reflects the importance of railroads in the city of Mobile in this era.

COFFEE NEWS & CHAT

By Sara E. Hutchinson

Are you looking for main dishes that are easy to fix, inexpensive, nourishing and good tasting? Then try sandwiches. With all the fresh, canned and frozen meat and poultry products, luncheon meats, sausages, sandwich spreads, cheese, salad vegetables, salad dressings and breads available today, there's no limit to the sandwich combinations you can fix. Just about any type food you can think of will fit in with some type of sandwich.

You can use the same fillings but change the sandwich taste by using different breads and rolls. Onion or poppy seed buns make a sandwich taste even better. And raisin, cinnamon and various nut breads are simple but delicious bases for fillings of fresh fruits mixed with cream cheese.

But remember -- how nutritious or economical a sandwich is depends upon what you make it out of.

EYE CARE

Many people complain that they can never keep their glasses clean. The secret to clear lenses is in taking good care of your glasses, not just when you wear them. Begin by handling your glasses right -- don't be too rough. And use a case whenever you can.

Don't yank glasses off with one hand or they will lose their shape. Use two hands to take them off. Rub them gently with your fingers. Never put your glasses anywhere with the lenses face down -- leave the side pieces open the way you wear them to avoid scratches.

Cleaning glasses is important and easy. Instead of rubbing the lenses when they're dry, which makes tiny scratches, once a day run lukewarm water over the faucet over the glasses, including frames, and wipe them dry with a soft cloth. Take extra care if the lenses are made of soft plastic.

If you spend a little time cleaning and caring for your glasses, they'll do a lot more for you and last longer, too.

RECIPE

Last week we recruited 4-H leaders in New Brockton. We visited with Debbie Savore. Debbie was in the kitchen preparing a cheese dip. It looked delicious when she finished mixing it. Lucky for us she let us taste the dip. Debbie said I should share this recipe with you.

CHILI CON QUISO

1 medium onion, chopped
1 tablespoon butter
1 small can tomato sauce
1 tablespoon chili powder
1 loaf velveta cheese, cubed
2 cans green chili peppers, chopped

Sauté onion in butter. Add peppers and sauce. Cook a few minutes. Mash peppers. Add

By: Hughes, Faulk, & Clark

PREVENT FIRE WITH FIRE

We have been asked by Forest Ranger Gordon Drewery, to remind our District Cooperators that now is a good time to prepare firebreaks. The fall fire-danger season is here.

Some district cooperators have done an excellent job around their woodlands. One of the best examples that comes to mind is the job that Dawson Farris has done on his farm in the Richburg Community. Of course, there are many others that have done a good job in protecting their timber and soil resources by installing firebreaks.

Four types of constructed firebreaks can be adapted to the various needs and conditions in Coffee County. These are: wood roads, plowed or disked firebreaks, burned firebreaks and pasture firebreaks.

Just remember, the landowner is responsible for keeping fire on his own land. So, get experienced help and notify the Fire Department before sticking a match to your timberlands.

Cren-Creek Crafts

Fair Set For Week-end

The second annual Cren-Creek Village Arts and Crafts Fair is set for Laverne, Ala., Saturday and Sunday, Sept. 27 and 28.

A wide variety of arts and crafts will be on display and there will be entertainment for children and adults including story tellers, bluegrass music, folk singing, band music, a choral group, and a turkey shoot.

Door prizes will be awarded to the public and a prize will be awarded to the exhibitor having the best booth. Bar-b-que, camp stove and other concessions will be available at the event to be held on the campus of Crenshaw Christian Academy.

Booths will be open from 10 a.m. to 5 p.m.

ACTION PROGRAMS LAUNCHED BY ACS

The Alabama Division of the American Cancer Society (ACS) announced plans to launch a series of what it calls Action Programs which could significantly reduce the numbers of cancer deaths in the state.

"With what we already know about cancer we could save at least half of those who get the disease--yet presently only about a third are being saved," stated Dr. John Durant, President of the Alabama Division of ACS and Director of the Comprehensive Cancer Center in Birmingham.

"That means that out of every four persons who die of cancer, one of them could possibly be saved," he added. According to Durant, the Action Programs, to begin this fall, are designed to get people to take action to detect cancer in its early stages when it is often highly curable.

These programs, which are new to most Alabama counties, include smoking clinics that help smokers quit, a bar-b-que, camp stove and other concessions will be available at the event to be held on the campus of Crenshaw Christian Academy.

Booths will be open from 10 a.m. to 5 p.m.

Pre-Nuptial Parties Honor Couple

On Monday afternoon, Sept. 22, Mrs. John Sharpless entertained in her home with a pre-nuptial party for the bride and groom.

The bride is the daughter of Mrs. Milla Boswell and the late Mrs. Sam Boswell of Elba. Maternal grandparents are the late Mr. and Mrs. Lawson Spurlin, also of Elba.

The groom's maternal grandparents are the late Mr. and Mrs. James Napoleon Enterprise.

Editorial

We have more students at ZC than ever before, and no more space; so naturally, this causes problems. The halls are crowded, the classrooms are over-filled, there are not enough desks, the cafeteria is packed and jammed, lunch-room lines are long, there is a scarcity of books, and many other problems.

But, we would like to commend the students on their patience, cooperation and behavior despite the uncomfortable and inconvenient conditions. We knew the Rebels could cope with problems without losing their cool, and now it has been proven!

GUESS WHO?

A 10th grader who is one of the cutest guys around and has a nickname of a famous TV show. He also has a cute Yankee brogue.

Last week's Guess Who was TAMMY ALLEN.

Krazy Kwestion

If you were stranded on a desert island, what three things would you want with you?

Ray Marler: Bed, food and girl.
Melinda Whittington: Water, food and shelter.
Alan Smith: Blonde, brunette and redhead.
Steve Reeder: A yacht, 10,000 naked belly dancers and a lifetime supply of corn chips.
Tim Sanders: Large boat and tea, plenty of food and tea, and someone special.
Kathy Maddox: My boyfriend, plenty of food and some books.
Eddie White: A year's supply of coconuts, Rachel Welch and a jar of vitamins (for energy).
Shirley Liptrout: A boy, food and a TV.
Jet Moultry: Water or beer, a woman or two and a car or truck.

MOMENTS FOR MEDITATION

There is no greater obstacle in the way of success in life than trusting for something to turn up, instead of going to work and turning up something.

Teen Thinkers

Do you believe a wife should work? Why?

Mary Grider: As usual this depends on circumstances, but I see no reason why a wife shouldn't work under usual circumstances. Some women aren't content to stay at home, do housework, baby sit, exchange recipes with friends, and all the things that non-working wives do, even though these things are certainly worthwhile. So, why should a wife feel compelled to stay at home when she finds a job outside the home to be more fulfilling? Besides, the wife doesn't usually keep the extra income all for herself; most of the time her income directly benefits other family members. I think a wife should work if she NEEDS to or WANTS to. Why? Because she is a free person and should have the same

rights as anyone else.

Hattie Wheeler: Yes, to gain her own independence.
Billy Flowers: Yes, to help support the family because of this inflation crisis.
Jet Moultry: Yes, if she doesn't want to starve to death.
Cindy McWaters: Yes, if they need the money.
Thomas Arnold: Yes, because of Women's Rights.
Anita Spear: I think they should do something to occupy their time other than staying home and having kids. It really depends on what the individual wants.
Elaine Whitehead: No, because a wife's place is being a housewife and raising her children.
Mavis Downing: Yes, if she can do her job and take care of her family and home.
Donna Petty: Yes. She's an individual just like a man and she can work if she wishes. I believe in a career before a family. A woman's place is not in the home.

CAPTAINS OF THE WEEK

HOUSTON ACADEMY vs ZION CHAPEL
Earl Jimright, Stanley Johnson and Larry Pearson (not pictured)

Rebel 'Ritings

It's very hard to talk to a boy, for me, that much I know, My feelings for a certain boy, My feelings always show.

If he would come and ask me out, I would probably cry, That is just my feeling, So please don't ask me why.

I'll dream at night, I'll listen at day, Maybe he'll find me, In his own simple way.

WANDA WAMBLES

Rebel To Remember

This week we honor as our Rebel to Remember, Sheila Kelley. She is the daughter of Mr. and Mrs. Junior Kelley of Jack.

Who would believe there could be an "only child" in a family with such a beautiful character and personality as Sheila's? Ask anyone at ZC and they'll agree that she is very friendly with a sweet, agreeable disposition.

All this doesn't mean, however, that Sheila doesn't have a mind of her own, and a most intelligent one, too, that she puts to use to weigh the rights and wrongs of situations, for her actions indicate she makes wise decisions.

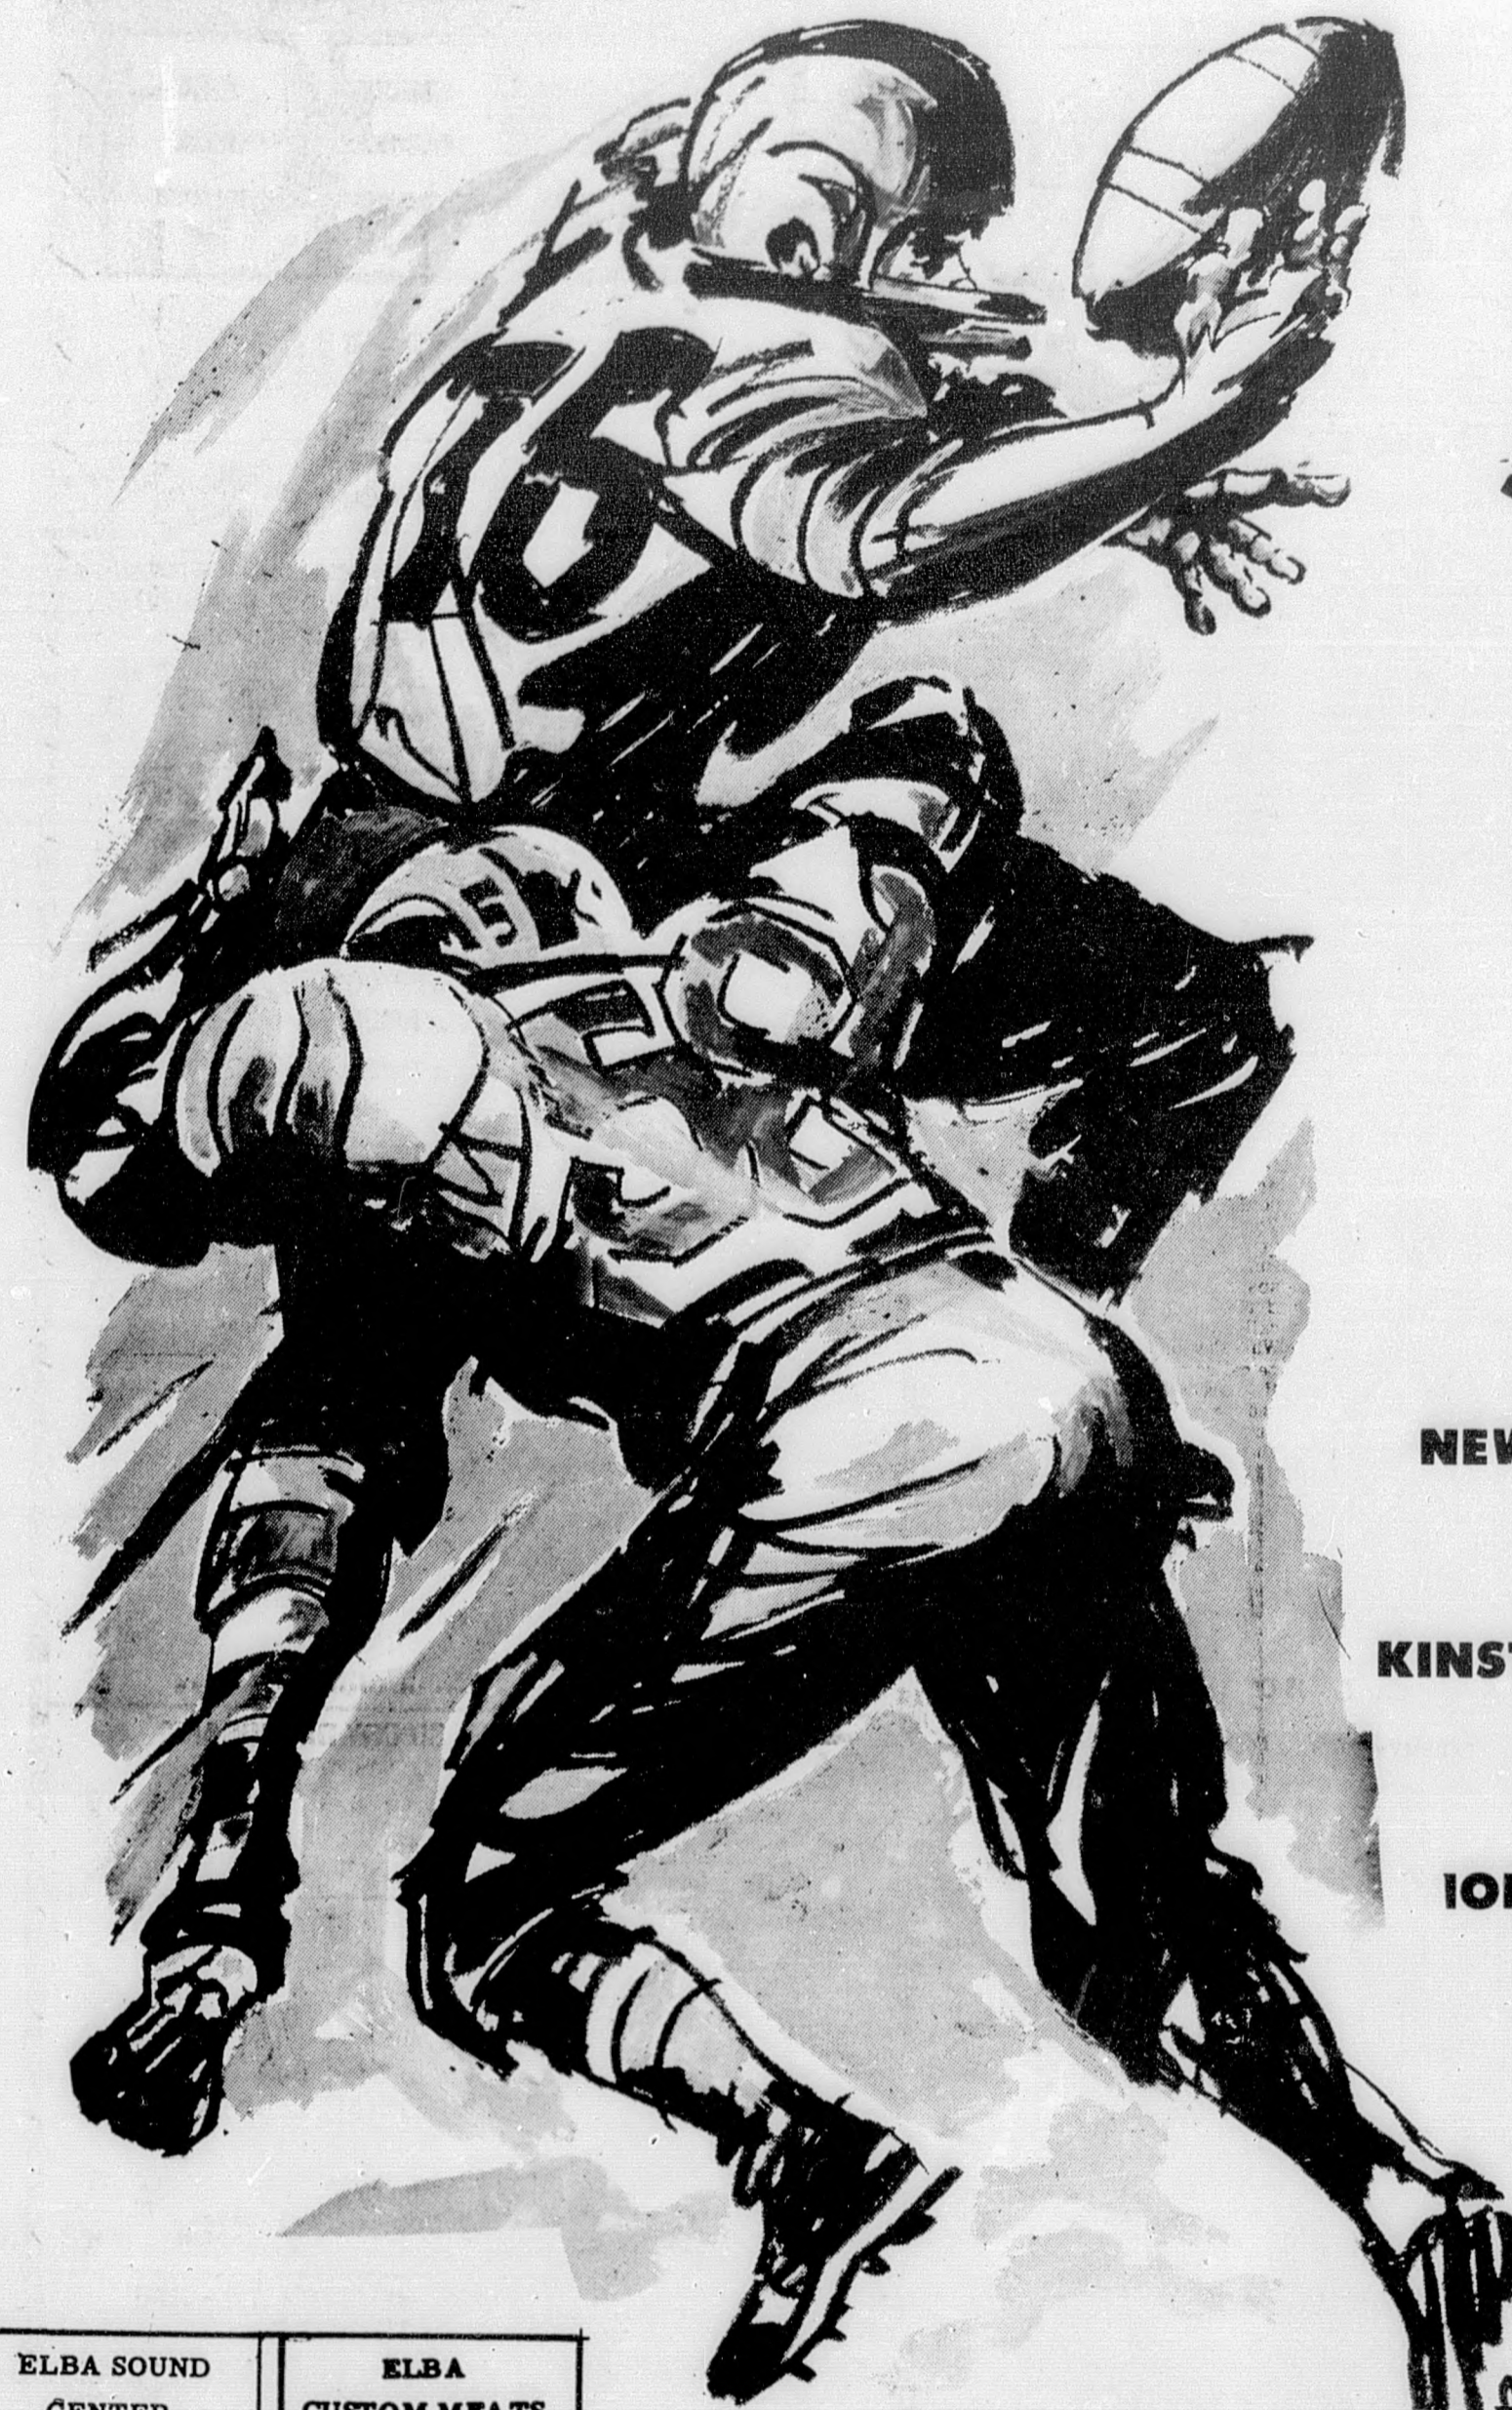

We're glad to have you with us, Sheila, our Rebel to Remember.

ZC Campus Beauty Contestants

NEWS FROM YOUNG REBELS

The 4th annual Rebel Beauty Pageant was held Tuesday night, September 23, 1975. Here are the elementary contestants. The winners will be featured in the next issue of the newspaper.

POOR ORIGINAL

SPORTS

Opp Outmuscles Tigers

A prep football game may last 48 minutes, but it only took the Opp Bobcats one minute and 55 seconds to defeat the Elba Tigers last Friday night.

Opp bunched 10 points into a 57-second span midway through the second quarter, and then added 14 more points in a 38-second span in the third quarter to score all the points they needed to defeat the Tigers.

Elba came out ready to play in the first quarter, and battled the much bigger Bobcats to a 0-0 deadlock after 12 minutes of action.

Opp's initial score came when Steve Phelps booted a 27-yard field goal to climax an 87-yard drive. The Bobcat lead went to 10-0 when an alert Opp defender scooped up an errant Max Fuller pitch-out and raced 20 yards for a touchdown.

The Bobcats' other two scores were also set up by Elba fumbles.

The key to Opp's victory was their ability to take advantage of breaks, and their size in the line.

Elba battled the Bobcats pretty good during the first half, but seemed to just "run out of gas" in the second half. The big weight advantage enjoyed by Opp was more than enough to lead them to the win. The only players who deserve mention in my opinion are Larry Phillips, James Smith and David Smith.

Larry was held to 55 yards, his lowest output of the season, but proved his ability to get hit and keep going. There is no doubt that Phillips is one of the finest running backs around, and one of the greatest.

James came in at linebacker in the fourth quarter, and completely befuddled the Bobcat offense. Smith seemed to be in the Opp backfield before the quarterback got the ball. Smith's fine play might result in a promotion to a starting position this week.

David had one of the finest nights punting the ball I've seen in quite some time. Smith punted 5 times for an average of 48 yards per kick, certainly a note-worthy performance.

Prep Round-Up

Andalusia and Enterprise battled in a meeting of south Alabama's two unbeaten powers, and the Bulldogs proved their strength by claiming an 8-7 win. Andy can now boast about being the "top team" in this area.

Kinston dropped their fourth straight by losing to McKenzie, 20-6. The Bulldogs continue to hang tough!

Zion Chapel roared back in the win column by blasting Clio, 38-22. The Rebels are now 3-1, and reaffirmed themselves as a class 1A power.

Florida continued to win by blanking the previously unbeaten Georgiana Panthers 20-0. The Wildcat defense held the visitors to a mere 28 yards in total offense.

Greenville upped their record to 4-0 by edging Brundidge 13-7. The Tigers face Opp next week in south Alabama's "Game of the Week."

Georgia continued to improve as they stopped Euflula, 21-0. The Panthers looked weak against Elba, but have apparently grown teeth since then!

Clemson No Match For Tide

I went to Tuscaloosa Saturday to watch the Alabama-Clemson game, and to watch Dennis Smith in action. Well, I saw Dennis, but I didn't see much of a game.

The Crimson Tide's offensive line simply blew Clemson off the field. I honestly believe that Bama could have scored 100 if they had wanted to.

Turning to Dennis, the Elba native played a good game. The Tide offense only ran to Dennis' side once the whole game, so he obviously didn't make many tackles.

I chatted with Dennis for quite some time, and he said that he'd been looking forward to playing Alabama for five years, obviously never dreaming that Clemson would lose 56-0. But, for all of Dennis' fans, remember, "one man doesn't make a team."

Go Clemson, "wreck Tech!"

Pigskin Pickins

The ole crystal ball hit on 25 of 30 picks last week for 83% correct. This week there are a lot of toss-ups, so I hope all the rain doesn't hurt the reception!

ELBA-DALE COUNTY -- Elba is 1-3, Dale County 0-4. Not exactly the game of the week, but it'll be a good one for the fans!

Elba 40 Dale County 19

ZION CHAPEL - LONG -- The Rebels got their offense on track last week, and seem to have a "charge" going. The Rebels should handle Long in a tough contest!

Zion Chapel 22 Long 8

KINSTON-RANDOLPH -- The Bulldogs have come close in their last two outings. The crystal ball couldn't find out anything on the boys from Huntsville, but figures they wouldn't come this far to lose!

Randolph 24 Kinston 13

NEW BROCKTON-WICKSBURG -- The Gamecocks looked good last week they'll prove no match for Wicksburg!

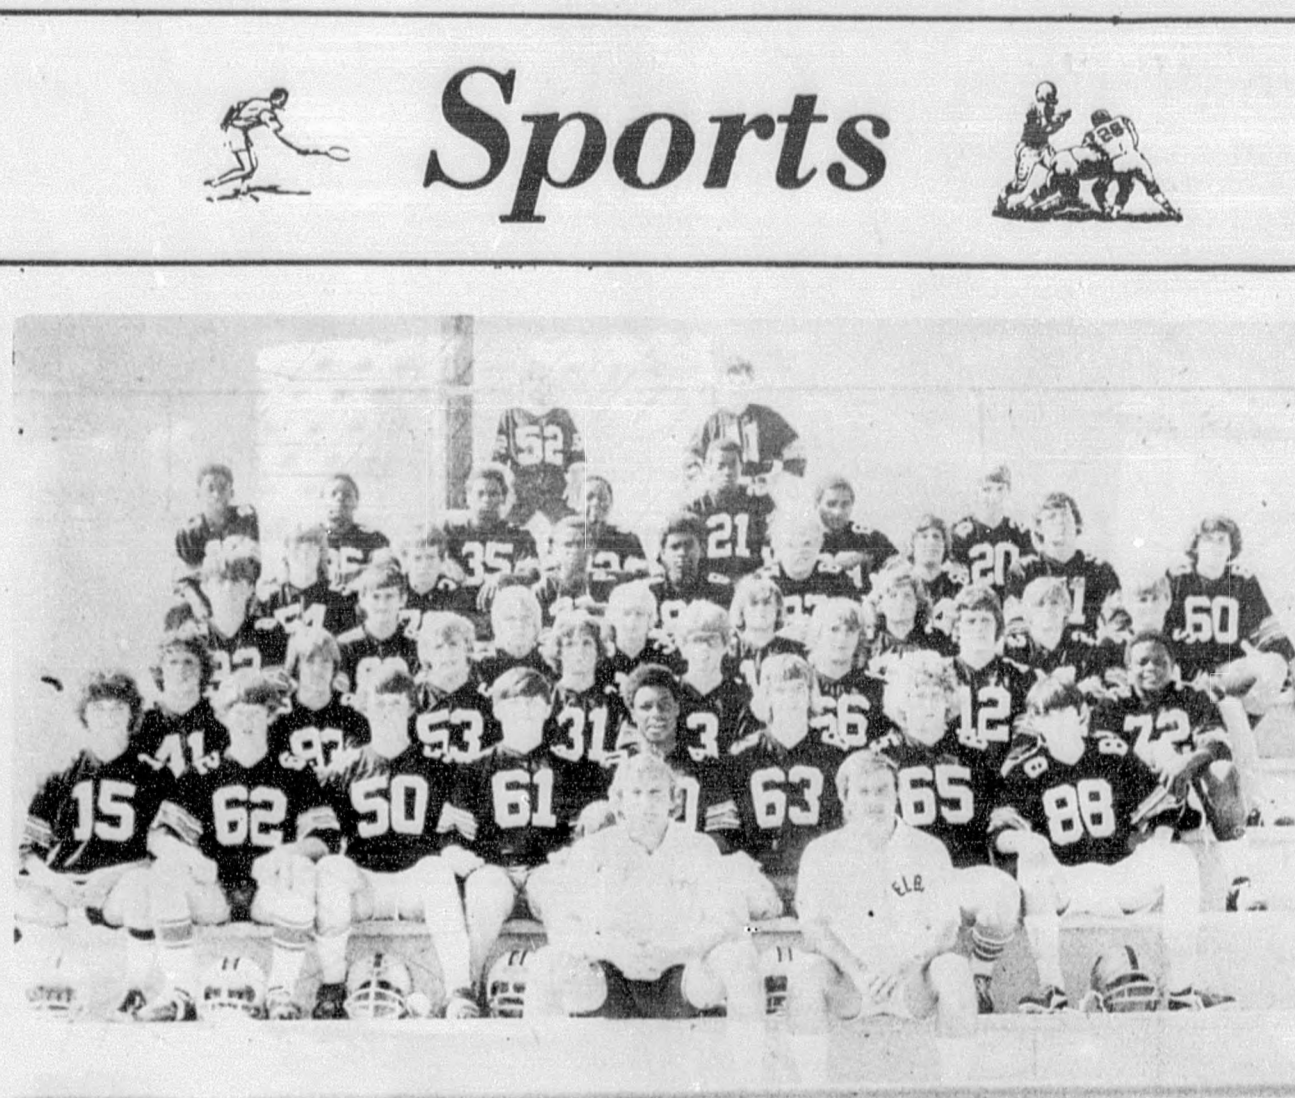

Wicksburg 40 New Brockton 6

OPP-GREENVILLE -- The "Game of the Week" in South Alabama. Opp hasn't beaten the Tigers in two years. The Bobcats will pull an upset!

Opp 14 Greenville 12

Elba Jr. Team Loses To

Geneva 12-6

The Elba Junior High Tigers dropped their season opener last week to the Geneva Jr. High Panthers 12-6.

Elba fumbled on their first snap from center, and Geneva recovered at the Tigers' 15 yardline. From there it took the Panthers five plays to score as they took a 6-0 lead.

The lead remained at 6-0 until the third quarter when the Panthers scored after a long drive to make the score 12-0.

Elba's lone touchdown came when Marty Marler plunged one-yard for the score. The touchdown was set up by a 37-yard pass play from Marler to Dougie Martin.

Neither team threatened in the closing minutes, as Geneva won 12-6.

Defensive stand-outs for the Tigers were Ashley Young (LB), Mike Berry (T), Richie Brown (LB), and Pete Cash (DE).

Offensively, the coaches praised Dougie Martin, Marty Marler, and Larry Ware.

Elba's next game is Thursday, September 25, against Opp.

Before

Mechanic Larry Goodson (left) and driver Jack Young took time out Saturday during pre-race preparations for upcoming race Motor Speedway at Dothan.

Scouting Report

They lost their quarter-back from last year," added Johns, "and their new quarter-back lacks the experience to move their offense consistently."

"On defense," said the new coach, "they run out of a 5-3 and 4-4, basically, but they use a lot of variations. We will have to work hard in preparing for their defensive alignment."

In closing, Coach Johns stated, "Since they haven't won it makes them extra dangerous. When a team is losing they will try anything to win. You have to expect the unexpected."

Coach Johns said that Elba to win, the Tiger line must come off the ball well and pick up Dale County's stunts!

"They might be winless, but they'll come after you, and I guarantee you that they'll hit you!"

Those were the words of Elba head coach Hinton Johns when asked about the Dale County Warriors, this week's opponent.

Dale County brings a 0-4 record into the game with Elba with the losses coming to Cottonwood, Ashford, Headland, and Rehobeth.

"Offensively," said Johns, "they run out of a slot set, and out of the back. Dale County has a real quick back in the Taylor boy, and when they throw they try to hit their big tight-end Junior Dean. Dean is a good receiver, and has real good hands."

JR. FOOTBALL GAME

TONIGHT
OPP AT ELBA
7:00

Motor Pool

Another exciting night of racing took place this Saturday night at Dothan's Rocket Motor Speedway. Eleven cars in the late-model class rolled out with 12 entries in the spectator division. Jack Young paced all qualifiers with a time of 18.40 in his new car.

Bobby "Ro-Ro" Snellgrove had the inside pole position for the night. The second race of the night was the spectator slow heat race with seven entries. Richard Woods won from the pole to the lead and kept it for the first three laps until Ray Tindall slipped past. Tindall led for two laps only to see Philip Holland get by for the last five laps and the victory. Woods placed second with Jerry Nujent in third.

The third race was the late-model sportsman slow heat with five entries. Six Bruce Dean out into Jack Young's right rear quarter panel which caused Jack's car to spin off the wall. The car skidded about half the length of the wall before Jerry Nujent took the lead. The car that Jack was driving was finished Saturday afternoon at about 4:30, and at 6:30, was brought back to the trailer.

Six Bruce continued to lead through the thirteenth lap until he went higher before being bumped. Dean led for the last 12 laps. Six Bruce of Kinston placed a very respectable second followed by Sonny Glover and Bobby Snellgrove.

TSU's Stogner Wins Honor

Troy State University's 1974-75 basketball press guide was judged the second-best in the nation in an annual contest sponsored by the National Association of Intercollegiate Athletics.

The announcement was made September 9 by NIAA Public Relations Director Don Powers.

The 72-page TSU brochure was compiled and edited by Gary Stogner, Director of University Relations and Sports Information.

More than 600 NIAA-member schools participated in the brochure contest this year. The brochures were judged on overall content, organization, design and originality.

The award was the sixth such honor for Stogner in the past two years. During the 1974-75 athletic year, he produced first-place winners in spring sports and football and a third place in football game programs.

Rat Picks Elba, AU, Tide To Win

It seems Elba has again dropped into the realm of mediocrity. Chances of a break-even season seem very bleak. I don't believe there is any one reason for this drop in SAC football significance. One thing for sure - you can't put all the blame on the coaches.

Elba played the worst game the "rat" has ever witnessed any Elba team play. After Opp scored on a fumble recovery just before halftime, Elba completely died. Opp could have made it much worse, but they took mercy on the Tiger kittens.

Elba was again plagued with numerous turnovers. Trailing by only ten, the Tigers seemed to be on their way to paydirt only to fumble the ball away. Opp immediately capitalized on the mistake by driving to the back-breaking touchdown.

Elba's defense played better at times, but they still tackled very poorly. In the opening quarter, Elba had Opp backed up only to let them out and drive to their opening field goal. The defense needs to become more aggressive and force some mistakes and turnovers.

ELBA-DALE COUNTY

This should be Elba's easiest game of the year. Elba gets back into the win column. Elba 33 - Dale Co. 13

GREENVILLE-OPP
Opp hasn't beaten Greenville in three years. This could be Greenville's year. Make it four in a row.

Greenville 20 - Opp 14

DOTHAN-AMERICUS, GA.
Dothan takes on another Georgia team. Dothan should be the defending Georgia State champs are tougher.

Americus 14 - Dothan 13

The NCAA's 60-48 rule will be put to the test for the first time this week. Both Alabama and Auburn play on the road. Bama takes on Vanderbilt while Auburn must tangle with the tough Tennessee Volunteers.

It's rough enough to play in Vois in Nyland Stadium on even terms, but when you give them an added twelve-man advantage, you're in real trouble. Elba gets back into the win column. Elba 33 - Dale Co. 13

ANNOUNCING

UNDER NEW MANAGEMENT

The Elba Country Club invites members and their guests to try the delicious lunches now being served daily and Sunday noon buffet. Enjoy congenial dining in a relaxed and informal atmosphere.

(UNDER THE MANAGEMENT OF MRS. HAZEL GIBBS)

Jimmy Simmons (65) and Mike Donaldson (62) combine to bring down Raiders' Flowers (21).

The New Brockton Gamecocks played perhaps their finest game of the year last Thursday night, but it wasn't enough as they fell to the Houston Academy Raiders, 21-6. The win ends the Raiders' record at 2-2, while the loss drops Zion Chapel to 0-4.

The Raiders drew first blood when halfback Jeff Stephenson sprinted 52 yards with a Charles Waid pitch-out. Waid added the pat, and the Raiders owned a 7-0 lead.

The score went to 9-0 with 14 left in the half when Gamecock punter Steve Purvis was tackled following a bad snap in his own endzone.

Houston Academy upped their lead to 15-0 in the third quarter when Waid plunged three yards for a touchdown. The pat failed, but with 1:13 left in the period, New Brockton found themselves trailing 15-0.

The Gamecocks received the ensuing kick and marched 61 yards to paydirt. On the opening play of the drive, Frank Smith rambed for 22 yards down to the Houston Academy 37-yard line. After four plays moved the ball to the 26, Smith again got the call, and gained 14 yards to the 12-yard line. Two plays later quarterback Larry Russell lofted a 10-yard touchdown pass to Raymond Hart, and the Gamecocks were on the board. The two-point conversion failed, but the score now read, Houston Academy 15 - New Brockton 6.

The Raiders refused to let the visitors gain any momentum, however, and promptly marched 97 yards for their final score of the night. The score came when Waid sneaked in from one yard out.

The Gamecocks made one final scoring threat, but Frank Smith's pass was intercepted, and Houston Academy had the win 21-6.

Rebels March Past Clio 38-22

The Zion Chapel Rebels bounced back from last week's upset loss to Houston Academy by blasting the previously unbeaten Clio Yellowjackets 38-22.

The win upped the Rebels' chart to 3-1, while the loss leaves Clio with an identical 3-1 record.

The highly-touted Yellowjackets jumped off to a quick 6-0 lead when Sammy Varner fired a 70-yard touchdown pass to James Belcher.

The Rebels marched right back by going 74 yards for their initial score of the night. Earl Jinnright bulled two yards for the touchdown, and let Moultrey run in the two-point conversion.

Zion Chapel upped their lead to 16-6 in the second quarter when Jet Moultrey clinaxed an 80-yard drive by walking over from four yards out. Jinnright added the two-point conversion.

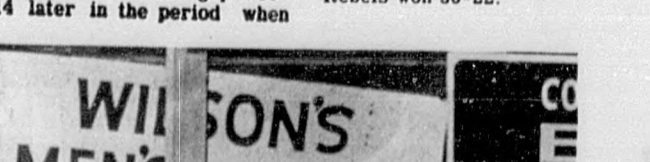

Clio narrowed the gap to 16-14 later in the period when

	ZC	CLIO
1st downs	17	11
Rushing	311	21
Passing	45	168
Total offense	346	199

The Rebels were led offensively by Earl Jinnright and Willie "Jet" Moultrey. Jinnright, a hard-running fullback, rushed for 124 yards on 21 carries while Moultrey added 108 yards in 13 carries. The Rebel defense was led by Ricky Turner, Randy Grant, Kenneth McClendon, Thomas Arnold and Larry Pearson.

The Rebels' final tally of the game came when the "Jet" took off on a 40-yard touchdown flight. The Rebels failed on the pat, but Moultrey's third touchdown of the night gave Zion Chapel a 38-14 lead.

Clio scored a touchdown late in the contest, but it was too little, too late, as the Rebels won 38-22.

Gamecock's Raymond Hart (41) holds on tight to 10-yard td pass from Russell.

Houston Academy Tops Gamecocks 21-6

Houston Academy Tops Gamecocks 21-6

The New Brockton Gamecocks played perhaps their finest game of the year last Thursday night, but it wasn't enough as they fell to the Houston Academy Raiders, 21-6. The win ends the Raiders' record at 2-2, while the loss drops Zion Chapel to 0-4.

The Raiders drew first blood when halfback Jeff Stephenson sprinted 52 yards with a Charles Waid pitch-out. Waid added the pat, and the Raiders owned a 7-0 lead.

The score went to 9-0 with 14 left in the half when Gamecock punter Steve Purvis was tackled following a bad snap in his own endzone.

Houston Academy upped their lead to 15-0 in the third quarter when Waid plunged three yards for a touchdown. The pat failed, but with 1:13 left in the period, New Brockton found themselves trailing 15-0.

The Gamecocks received the ensuing kick and marched 61 yards to paydirt. On the opening play of the drive, Frank Smith rambed for 22 yards down to the Houston Academy 37-yard line. After four plays moved the ball to the 26, Smith again got the call, and gained 14 yards to the 12-yard line. Two plays later quarterback Larry Russell lofted a 10-yard touchdown pass to Raymond Hart, and the Gamecocks were on the board. The two-point conversion failed, but the score now read, Houston Academy 15 - New Brockton 6.

The Raiders refused to let the visitors gain any momentum, however, and promptly marched 97 yards for their final score of the night. The score came when Waid sneaked in from one yard out.

The Gamecocks made one final scoring threat, but Frank Smith's pass was intercepted, and Houston Academy had the win 21-6.

Elba's Dennis Smith watches as the Clemson offense fails to move against Tide defenders. Bama won game 56-0.

Larry Stokes proudly displays a stringer of 11 bass that he and Bobby Bullard caught on Tuesday, Sept. 9, while fishing at Flack's Beaver Pond. The 11 lunkers tipped the scales at 25 lbs.

The two anglers caught the fish while using a blue plastic worm which was made by Bullard. The duo reported that they caught 6 fish in the morning and 2 in the afternoon.
